**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

We are required by federal law (Health Insurance Portability and Accountability Act or HIPAA) to:

- Maintain the privacy of your protected health information (PHI)
- Give you this notice of our legal duties and privacy practices regarding health information about you
- Follow the terms of our notice that is currently in effect

## **HOW WE MAY USE AND DISCLOSE HEALTH INFORMATION:**

The following describes the ways we may use and disclose PHI that identifies you. Except for the purposes described below, we will use and disclose Health Information only with your written permission. You may revoke such permission at any time by writing to our facility Privacy Officer.

**For Treatment:** We may use and disclose PHI for your treatment and to provide you with treatment-related health care services. For example, we may disclose PHI to doctors, nurses, technicians, or other personnel, including people outside our office, who are involved in your medical care and need the information to provide you with medical care.

**For Payment:** We may use and disclose PHI so that we or others may bill and receive payment from you, an insurance company or a third party for the treatment and services you received. For example, we may disclose your PHI to anesthesia providers involved in your care so they can obtain payment for their services.

**For Health Care Operations:** We may use and disclose PHI for health care operations purposes. These uses and disclosures are necessary to make sure that all of our patients receive quality care and to operate and manage our facility. For example, we may use and disclose information to make sure the outpatient care you receive is of the highest quality. We also may share information with other entities that have a relationship with you (for example, your health plan) for their health care operation activities.

**To Contact you about your procedure, insurance or other matters:** We may use and disclose PHI to contact you to register you for your procedure, give you pre-operative medical instruction and/or discuss insurance billing and payment. We also may use and disclose PHI to contact you after your procedure for follow up and ask how well we cared for you. We also may use and disclose PHI to tell you about treatment alternatives or health-related benefits and services that may be of interest to you. We may leave voice messages at the telephone number you give to us.

**Individuals Involved in Your Care or Payment for Your Care:** When appropriate, we may share PHI with a person (such as a family member or friend) who is involved in your medical care or payment of your care. We also may notify your family about your location or general condition or disclose such information to an entity assisting in a disaster relief effort.

**Research:** Under certain circumstances, we may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before we use or disclose Health Information for research, the project will go through a special approval process. Even without special approval, we may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any PHI.

## **USES AND DISCLOSURES OF PHI PERMITTED WITHOUT AUTHORIZATION REQUIRED:**

**As Required by Law:** We will disclose PHI when required to do so by international, federal, state or local law.

**To Avert a Serious Threat to Health or Safety:** We may use and disclose PHI when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Disclosures, however, will be made only to someone who may be able to help prevent the threat.

**Business Associates:** We may disclose PHI to our business associates that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. For example, we may use another company to perform billing services on our behalf. All of our business associates are obligated to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract.

We will only make this disclosure if you agree or when required or authorized by law.

**Health Oversight Activities:** We may disclose PHI to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

**Data Breach Notification Purpose:** We may use or disclose your PHI to provide legally required notices of unauthorized access to or disclosure of your health information.

**Lawsuits and Disputes:** If you are involved in a lawsuit or a dispute, we may disclose PHI in response to a court or administrative order. We also may disclose Health Information in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

***Individuals Involved in Your Care or Payment for Your Care:*** Unless you object, we may disclose to a member of your family, a relative, a close friend or any other person you identify, your PHI that directly relates to that person's involvement in your health care. If you are unable to agree or object to such a disclosure, we may disclose such information as necessary if we determine that it is in your best interest based on our professional judgment.

***Disaster Relief:*** We may disclose your PHI to disaster relief organizations that seek your PHI to coordinate your care, or notify family and friends of your location or condition in a disaster. We will provide you with an opportunity to agree or object to such a disclosure whenever we practically can do so.

## **YOUR RIGHTS REGARDING PROTECTED HEALTH INFORMATION:**

You have the following rights regarding your Protected Health Information:

***Right to Inspect and Copy:*** You have a right to inspect and copy PHI that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes. To inspect and copy this PHI, you must make your request, in writing, to the Privacy Officer at the facility address on the final page of this document. We have up to 30 days to make your requested PHI available to you and we may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request. We may not charge you a fee if you need the information for a claim for benefits under the Social Security Act or any other state or federal needs-based benefit program. We may deny your request in certain limited circumstances. ***Right to an Electronic Copy of Electronic Medical Record:*** If your PHI is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. We will make every effort to provide access to your PHI in the form or format you request, if it is readily producible in such form or format. If the PHI is not readily producible in the form or format you request your record will be provided in either our standard electronic format or if you do not want this form or format, a readable hard copy form.
